SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
Mail Stop Issue Fee  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Listed below or on an attached Form PTO-1449 is information known to applicant(s). A copy of each listed publication and U.S. and foreign patent, except for pending but unpublished U.S. applications, is being submitted herewith, along with a concise explanation of information in a foreign language, if any, pursuant to 37 C.F.R. §1.97-1.98.

Applicants respectfully request that the information listed on the attached Form 1449 be considered by the Examiner and made of record in the above-identified application. The Examiner is requested to initial and return a copy of the enclosed Form 1449 substitute.

This statement is not intended to represent that a search has been made or that the information cited in the statement is, or is considered to be, material to patentability as defined in §1.56.

This statement is being filed after the mailing date of the notice of allowance under §1.311, but before payment of the issue fee; and the fee of \$180 under 37 CFR 1.17(p) is authorized in the accompanying transmittal.

Applicants' attorney hereby certifies that US Patent No. 6,525,865 was not cited in a communication from a foreign patent office in a counterpart foreign application and, to the knowledge of Applicants' attorney after making reasonable inquiry, was not known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of this Supplemental IDS.

Each of the other documents listed on the attached Form 1449 substitute was cited in one or more related applications (applications claiming the benefit of App. No. 09/518,488 and examined by Examiner Tra). Applicants propose these documents for consideration not because they believe them to be material to patentability but for completeness in cross-citation within the related applications. In a telephone interview with Examiner Tra, he indicated that he would consider these documents in an after-allowance IDS because they are already of record in the related applications. The Examiner's courtesy in considering the documents is deeply appreciated.

Respectfully submitted,
